

14<sup>TH</sup> FEB 2018

**Preconference on  
FUTURE HEALTHCARE: "SENSING DISEASE AND  
ROLE OF IoT IN HEALTHCARE"**

**About the Conference**

In this technology driven era, Data plays key role irrespective of the domain. Sensors helps to acquire data and integrate it with various analytics solutions to consolidate data from disparate systems and risk stratify populations, helping care teams quickly and effectively identify appropriate candidates for care management. There is need for evidence-based medicine the conference will try to bring all the healthcare stakeholders working in these areas on common platform for a fruitful discussions.

**Who Should Attend?**

*Conference seeks to foster dialogue between engineers and clinicians to create better solutions for Future Healthcare Needs. Students, PhD Scholars, Industry Professionals and Faculty aspiring to be part of this digital revolution in health care are invited to attend the conference.*

**Why to attend?**

*"You can have data without information, but you cannot have information without data." The future healthcare need to extract the meaningful insights of the data. By 2020, 40% of providers will run cognitive analytics on patient data. Creating a proactive framework based off of predictive analytics is not only possible – it's the future of healthcare. Join us for two days of interactive panel Q&As, engaging presentations, and rousing discussions among those leading the Sensor, IoT and AI wave.*

**Limited Seats**

**Registration on "first come first serve" basis**

Venue: Mukesh Patel Auditorium,  
NMIMS Deemed to be University Vile  
Parle (W), Mumbai -400056

# Schedule of the Preconference

## Session 1: 9.30 AM - 1.00 PM

9.30 AM -10.00: Introduction to theme and the speakers.

### Keynote Sessions

10.00 AM: Health monitoring and Surveillance using Smart Devices: Dr Suryakant Choudhari, Consultant, Bombay Hospital

11.00 AM: Standardization for Seamless Data Exchange and Effective Treatment: Dr Roshan Palewar, CEO Doc Rosh Health

12.00 noon: Future Diagnosis using wearable sensors  
Dr Pradip Chande NMIMS, Indore

1.00 PM: Lunch

## Session 2: 2.00 PM to 5.00 PM

2.00 PM : Psychiatry and the Internet of Things

Dr. Sridhar Natesan King's College London

3.10: Theme based interaction with speakers

4.15 : Concluding ceremony

**Contact:**

**Prof. Santosh Bothe**

**Mobile +91-9371550875**

**Email: [Santosh.bothe@nmims.edu](mailto:Santosh.bothe@nmims.edu)**

**Registration Fees:**

Students Rs. 500/-

SVKM Faculty Rs. 1000/-

Others Rs 1500/-

**Mode of Payment:**

1. DD: DD in Favor of "SVKM'S NMIMS" payable at Shirpur
2. NEFT: A/c: 13871450000032 A/c Name: SVKMS NMIMS  
Bank: HDFC BANK LTD IFSC: HDFC0001387.

**Note: After payment please register and upload image file of transaction webpage/ transaction slip or D. D. Image**

### CHIEF PATRONS

- Shri Amrishbhai Patel, Chancellor, SVKM's NMIMS and President, SVKM
- Shri Bhupeshbhai Patel, Joint President, SVKM

### PATRONS

- Shri Shalin S. Divatia, Joint Secretary, SVKM
- Dr Jayant Gandhi, Joint Secretary, SVKM
- Shri Rajgopal Bhandari, Managing Committee Member, SVKM and Mentor Shirpur Campus

### Chairman

Dr R. S. Gaud, Director, SVKM  
Pharma institutions

### Organizing Committee

- Dr Bala Prabhakar Dean, SPPSPTM, Mumbai
- Dr Ashwini Deshpande, Associate Dean, SPTM
- Dr Nitin Choubey Associate Dean MPSTME Shirpur
- Dr Munira Momin Principal BNCP
- Dr Santosh Bothe, Organizing Secretary, Professor, MPSTME Shirpur
